

Extract excellence with botanicals consumers trust.

Green Rooibos and Grape Seed Extracts Join Our Health-Forward Botanicals Portfolio

ADM can help you develop consumer-approved products with our **newest high-quality, trustworthy extracts**—green rooibos and grape seed—and our state-of-the-art product development expertise.

CONSUMERS' HEALTH & WELLNESS DESIRES

Consumers are taking a proactive, synergistic approach and making mindful decisions when it comes to their well-being, driven by their desires for balanced wellness and their values around trust & traceability.¹

60%
of consumers want to **IMPROVE THEIR GENERAL HEALTH & WELLNESS** in the next 12 months²

Today's consumers prefer products with these must-haves:

HIGH-QUALITY INGREDIENTS

CLEAN LABEL

FUNCTIONAL BENEFITS

With clean label functional botanical solutions from ADM, your brand can help support consumers' health & wellness needs and enhance a wide variety of food & beverage and dietary supplement formats.

Help Support Overall Health & Wellness

Green Rooibos (*Aspalathus linearis*)

WELLNESS IN EVERY SIP

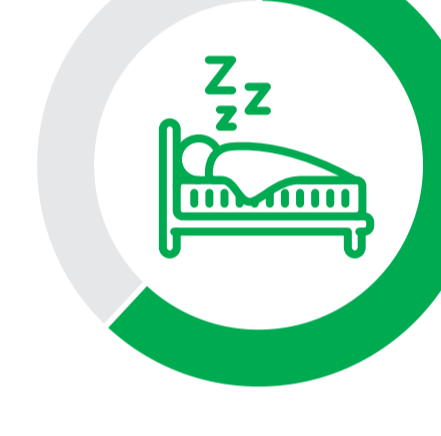

U.S. consumers associate green rooibos³ with helping to support:

17%
Mood/Everyday Stress

17%
Energy/Reduction of Fatigue

15%
Sleep Quality

Our green rooibos (*Aspalathus linearis*) extract comes from the leaves of trees grown in its native South Africa and is extracted using only water in our world-class facility in Valencia, Spain.

Standardized for:
dihydrochalcones (min. 8%) and flavones (min. 2%), with the presence of safranal and damascenone

Grape Seed (*Vitis vinifera L.*)

HARNESS THE POWER OF POLYPHENOLS

U.S. consumers associate grape seed extract³ with helping to support a broad range of health and wellness benefits.

Our grape seed (*Vitis vinifera L.*) extract* is made from the seeds of grapes grown in Spain and extracted locally.

Standardized for:
proanthocyanidins 90% min., polyphenols 85% min. and Flavan-3-ols 5-15% (target: 10%)

Botanical Excellence from ADM

We start by working with validated local suppliers in native growing regions and then gently process the raw materials in state-of-the-art facilities in Spain.

We then help you design formulations from concept development to launch that support key consumer needs and get you to market faster, leveraging our:

- Consumer understanding capabilities and insights
- Unrivalled product development, sensory, regulatory and analytical expertise
- Vertically integrated value chain

Keep an eye on **ADM.com** to keep up-to-date on our newest botanical extract launches.
